Gray Line of San Francisco's
Grand City Tour

Gray Line, Truly the Local Expert has been offering sightseeing tours since 1910. No visit to San Francisco would be complete without experiencing Gray Line of San Francisco's highly rated San Francisco City Tour. Our local experts show you the city as a local would show you the city by the bay. Tours are offered aboard new full size luxury motorcoaches.

San Francisco is a popular tourist destination, known for its cool summers, fog, steep rolling hills, eclectic mix of architecture, and landmarks including the Golden Gate Bridge, cable cars, the former prison on Alcatraz Island, and its Chinatown district. The city of San Francisco is a peninsula surrounded by water on three sides. To the north and east is San Francisco Bay and to the west is the Pacific Ocean. Spanning the entrance to San Francisco Bay is the stunning and historic Golden Gate Bridge.

Our tours depart Fisherman's Wharf, heads through North Beach and take visitors to the Golden Gate Bridge where you make a stop to take photos of the bridge, Alcatraz and San Francisco Bay before crossing the bridge and back to San Francisco. Our tour continues through the historic Presidio of San Francisco on your way thru the city before arriving at Land End Visitors Center, part of the Golden Gate National Recreation Area. While at Lands' End you can view the remains of the Sutro Baths and overlook the majestic Pacific Ocean with the Golden Gate Bridge off in the distance. Our tour continues to Twin Peaks the highest point in the city where you will have 360 degree views of the city and the bay. As our tour continues through Golden Gate Park, you'll also travel thru Chinatown, Nob Hill, past San Francisco City Hall and thru the city's downtown before returning to Fisherman's Wharf.
